

RoHS Certificate of Compliance

Logic PD certifies that the products listed below are compliant with the European Union RoHS Directive 2011/65/EU (also known as RoHS recast), including the amendment under Directive (EU) 2015/863.

The following exemptions, as defined in Annex III of Directive 2011/65/EU, apply to this certification:

7(a) Lead in high melting temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead)

7(c)-I Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezoelectric devices, or in a glass or ceramic matrix compound

Logic PD, Inc. acknowledges that our customers will rely on this certification in determining the compliance of its products to the European Union Directive 2011/65/ EU and amendment Directive (EU) 2015/863.

Compliant Product Models:

SOMOMAPL138-10-1602AHCR
SOMOMAPL138-10-1603AHCR
SOMOMAPL138-10-1502QHCR
SOMOMAPL138-10-1503QHCR
SOMOMAPL138-10-1602QHIR
SOMOMAPL138-10-1603QHIR
SOMC6748-10-1602AHCR
SOMC6748-10-1603AHCR
